

## **AN INSIGHT TO THE PRESIDENTIAL SCHOOL**

'The Presidential School' is the perception of a great educationist, Mr. D.S. Anand. It is a symbol of next - gen schooling. The school is an idealization of his dream to bring out the latent skills of the Presidentialites paving the path for a successful trail.

### **LOCATION**

Nestled in a peaceful locale the school is a second home for every child. It's an aesthetically designed marvel with all modern amenities that cater to the needs of the students in the emerging technology based world.

### **CURRICULUM**

The school follows a curriculum which aims global and trains global too. The flexible learning programmes for children have been evolved after an extensive research and comparative analysis of the available curriculum across the globe in collaboration with the eminent academicians in the country and abroad. The school caters to the nationally acclaimed CBSE Curriculum upto Grade XII. The courses of study offered are in accordance with the norms prescribed by CBSE.

The Senior Secondary School offers Commerce Stream with IEC & MEC as options. It also offers Science Stream with MPC & BiPC as options.

### **THE FACULTY**

The school is privileged to have a dynamic team of dedicated highly qualified, well experienced and committed

mentors as its faculty. They are not just mentors but they play multiple roles as mentors, philosophers and guide the children leading to the path of success. Service training, refresher programmes, workshops by renowned academicians and counsellors update the mentors with the latest in the field of education.

### **THE CLASSROOMS WITH A DIFFERENCE**

The classrooms are equipped with Interactive Digiboard systems bringing in a digital revolution. The classrooms provide a multisensory learning for the students. Partnering with Knowledge Partners like TATA Class Edge make learning more effective and interesting.

### **MORE THAN A CURSORY LOOK**

The state of art computer laboratory has the latest computing facilities and broad band Internet connectivity.

### **LIBRARY WITH DIFFERENT PERSPECTIVES**

The library at school, has a range of meticulously selected collection of books, journals, magazines, periodicals, newspapers and interactive C.Ds. The school intends in establishing the finest digital library in the region.

### **ANSWERING THE WHAT, WHY, HOW.....**

Practical sessions in all branches of Science - Physics, Chemistry, Life Sciences and Mathematics are conducted in specially designed laboratories under the watchful eyes of adept mentors. Students alongwith their mentors are encouraged to conduct science symposia, exhibitions and projects too.

### **IN THE EXTRACURRICULAR SPHERE**

The school hones the creative talents in the students with hobby clubs that conduct various activities like painting, pottery, sculpture, debates, literary activities, stamp collection, gardening, rock climbing, field expeditions and many more leisure activities. Its multi-utility hall has the most modern audio - visual equipment for quality presentations.

### **SPORTS**

Sports provide the perfect relaxation and break from the routine academic education. Roller Skating, Lawn Tennis, Volley Ball, Throw Ball and Basket Ball keep the children physically fit and mentally sharp.

### **EXTENDING A HELPING HAND**

At the school the environment facilitates community living & social service. As a part of social awareness programmes the students are taken to nearby villages and orphanages. They offer services to the under privileged, participate in the adult education programmes, organize voluntary activities for a better and healthier tomorrow.

### **COMMUTE**

The students commute to and from the school by the organized fleet of buses which pick up and drop children at pre-determined points in the city.

### **CARE TO SHARE LIFE'S LITTLE PROBLEMS**

The trained counsellors follow up with the child's general behaviour. They not only help in overcoming their anxiety and stress but also guide students in developing the right career perspectives and positive attitude.

### **ADMISSION INTO THE SCHOOL**

The academic record of the student from the previous school forms the main criterion for granting admission. The school however, reserves the right to administer an aptitude test. The tests are designed to get a measure of the candidate's interest and competence in diverse activities.

*Your children, if Presidentialites  
will make a mark for themselves in the  
society. The school will always  
'Kindle to Enlighten'  
their path to success bringing pride  
to the Nation.*
